Iridium Service Rates- Post Paid

All post-paid Iridium accounts qualify for pooling. Pooling means that any allotted airtime on the account (even if only one line is activated under inclusive minute rate plan) would be pooled amongst all of the active lines in that account. Additionally, any client may buy a block or pre-paid, pooled airtime good until used.

Basic Service Includes 0 monthly minutes	IRDMBSC		
Activation Fee		\$ 50.00	100.0%
Monthly Fee		\$ 59.00	25.5%
